

GET READY FOR SOME **TRANSFORMATION!**

The ID/IP **GROUP COACHING MODEL** is a **powerful way** to encourage individuals to learn while benefiting from the experiences of others in a safe and collaborative environment. Participants can share their individual/team best practices and life experiences for mutual benefit in this unique and motivating setting. If you're looking for a unique approach to coaching, that means you are ready to make some necessary and positive changes in your life. Perhaps:

- Your life is going well, but something is missing.
- You're not quite sure what your life purpose is and are ready to explore.
- You're looking for a career change, but are not quite sure what you'd like to be doing.
